

## ABOUT US

We are the leading trade association for America's ethanol industry, driving growth in sustainable renewable fuels and bioproducts for a better future. Our vision is to help the world by unlocking the power of renewable fuels and bioproducts.

# MEMBERSHIP BROCHURE

## WHY CHOOSE US

In creating a forum for ethanol producers and industry stakeholders, RFA has achieved an unequalled record of results through action, advocacy, and analysis.

### Leadership on Capital Hill

The RFA advocates on behalf of our members and works with state and federal policy makers to promote increased use of renewable fuels through supportive policies, regulations, and research and development initiatives.

### Unrivalled Technical Expertise

By becoming a member of RFA, you will be provided with the technical and regulatory information needed to make smart business decisions and opportunities to make your company's mark on the renewable fuels industry.

### Driving Demand for Ethanol

In addition to our marketing and promotion efforts that educate consumers on the benefits of renewable fuels, RFA gives our members the tools they need to communicate effectively with these and other important audiences.
