“I am trusting Speaker Mike Johnson and Leader John Thune to find a deal that works to get E15 approved. They're very close to getting it done.

And [they] will be sending me a bill very shortly, supporting year-round E15.

And I will sign it without delay.”

“There’s massive potential for this to be a win-win for Californians: lowering gas prices by up to twenty cents per gallon while keeping our air clean.”

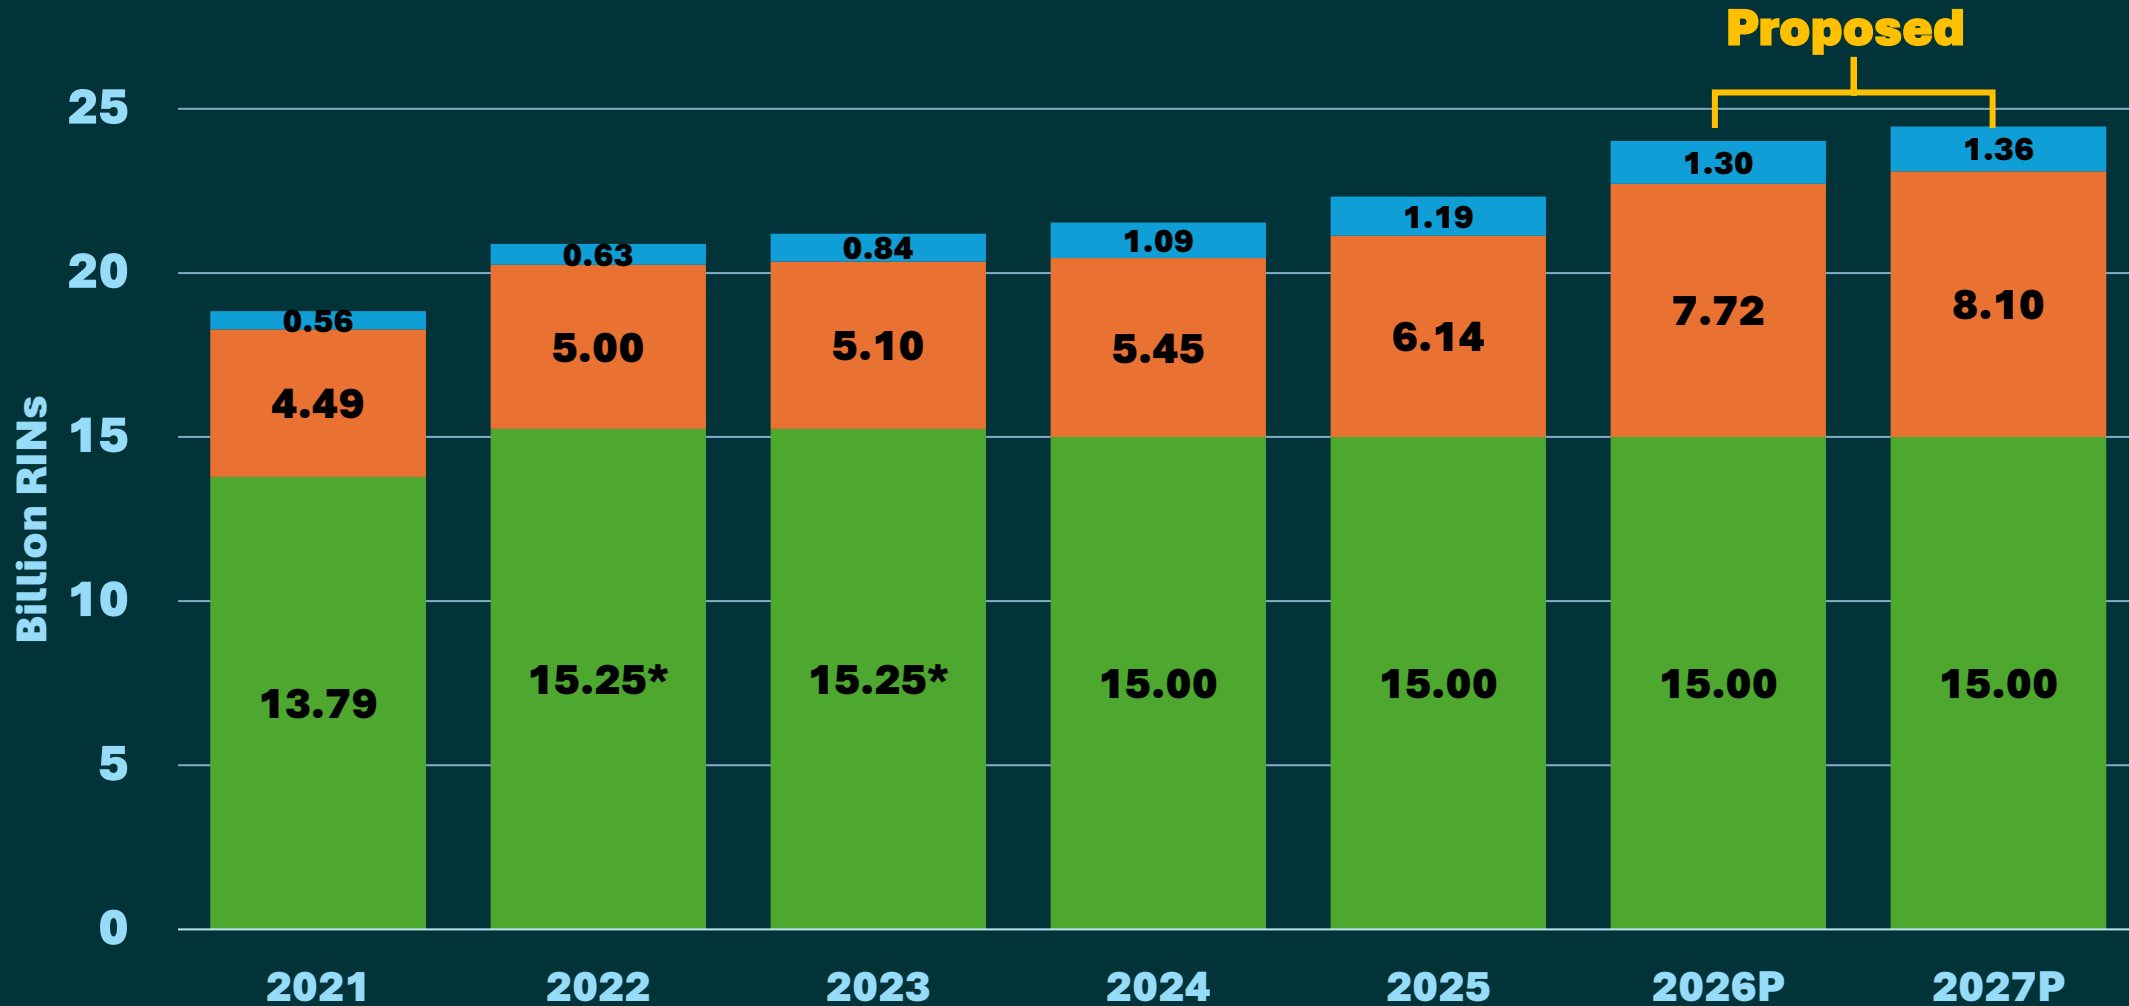

“We’re cutting red tape to provide consumers with more options as we continue our transition to cleaner transportation.”
