

Why Choose RFA?

In creating a forum for ethanol producers and industry stakeholders, RFA has achieved an unrivaled record of results through action, advocacy, and analysis.

Leadership on Capitol Hill
Advocating for supportive policies that increase the use of renewable fuels

Unrivaled Technical Expertise
Access the technical and regulatory information you need to make smart business decisions

Driving Demand for Ethanol
Marketing and promotion efforts that educate consumers and grow markets

A Powerful, Collaborative Community
Connect with leaders, producers, and industry partners across the value chain

The Voice of the U.S.
Ethanol Industry
