THE RENEWABLE FUELS ASSOCIATION (RFA) is the leading trade association for America's biofuels industry. Its mission is to drive expanded production and use of American-made renewable fuels and bio-products world-wide.

Since 1981, the Renewable Fuels Association has been the authoritative voice of the U.S. ethanol industry. Our members are committed to helping our country become cleaner, safer, and more energy independent. In creating a forum for ethanol producers and industry stakeholders, RFA has achieved an unequaled record of results through action, advocacy and analysis.

With the most experienced staff in the industry, RFA is able to provide timely, comprehensive industry information to our members, Congress, federal and state government agencies, fuel marketers and retailers, strategic partners, the media and other opinion-leader audiences.

The Voice of the U.S. Ethanol Industry

Protect your investment in your plant, assets and future. Become a proud member of the RFA. www.EthanolRFA.org

The Authoritative Voice of the Ethanol Industry

The RFA is recognized as the authoritative resource on all matters impacting the ethanol industry. RFA’s expertise is showcased in its constantly-updated industry statistics, scientific analysis, industry best practices, and ethanol standards and specifications. RFA’s success is driven by its active and engaged members who serve on committees like:

- Technical Committee
- Environmental Committee
- Co-Products Committee
- Plant & Employee Safety Committee
- Export Committee

Every day, the RFA works hard to provide timely, comprehensive industry information to its members, including weekly updates, such as:

- Legislative and Regulatory
- Technical and Research
- Market Development
- Communications

In addition, RFA’s market development efforts have launched innovative new programs, partnerships, and products to expand the use and availability of E15, mid-level blends, E85, blender pumps, and consumer education. These activities provide the ethanol industry with tremendous opportunities for growth.

EVERY RFA producer member participates fully on our Board of Directors and is eligible to serve on the Executive Committee. Every producer member has a seat at the table, a voice in the discussion, and a vote. Every company is equal regardless of size.

RFA MEMBER BENEFITS

ASSOCIATE MEMBERS BENEFITS

- Participation in Annual Membership meeting
- Industry alerts and issue briefs
- Access to Association publications and educational materials
- Reduced registrations fee for National Ethanol Conference
- Weekly updates on regulatory, legislative, research and technical, market development and communication issues.
- Provide input on RFA policy, activities, and priorities through attendance at Annual Membership meeting
- Networking opportunities with producer members
- Link to your website on RFA website
- Committee Participation

PRODUCER MEMBERS BENEFITS

In addition to the above benefits:

- Voting member of the RFA Board of Directors
- Participation in Association Meetings and the development of policies
- Eligible to serve as a member of the Association’s Executive Committee
- Timely and accurate legislative and regulatory updates, alerts, and issue briefs
- State legislative activity summary
- Industry reports and studies

PROSPECTIVE PRODUCER MEMBERS BENEFITS

This membership category is for those ethanol production facilities under construction. Prospective Producer Members receive the same benefits as Producer Members, but hold non-voting seats on the Board of Directors.
